

## Does your resumé need updating?

The global economy is going through a turbulent and challenging time, and as a result, many people need a strong resumé (CV) more than ever before

We charge US\$250 to produce a high quality resumé for you, which typically ends up paying for itself

We have been producing high quality resúmes for people since the early 1990's and continue to receive excellent feedback and results, so you should ask us to help you

Email your current resumé to Brian Moore at [brian@bmi.com.hk](mailto:brian@bmi.com.hk) and let's get started
